

Active Learning and Collaboration

Describe how your product handles Active Learning and Collaboration.

The following items are considered required specifications. These items should be native to the system reflected in your response to the RFP at Cost Item P.1.1. Please indicate the procedure and ability of the platform to:

- Provide revision history for collaborative content.
- Provide a peer review feature.
- Provide support for live web conferencing.

The following items are considered preferred specifications. For each of the following items, describe whether each feature/requirement:

- **Is native to the system reflected in your response to the RFP at Cost Item P.1.1,**
- **Requires additional licenses as reflected in your response to the RFP at Cost Item P.1.3.**

Please indicate the procedure and ability of the platform to:

- Allow users to author or edit web-based documents synchronously.
- Allow instructors to provide access to course materials and assignments to specific groups of students/sections.
- Allow peer review tools with flexible group assignments (random; instructor-assigned; student self-select) and grading options
- Allow users to create collaborative groups and sites that span across courses.
