

Accessibility

Describe how your product handles Accessibility.

The following items are considered required specifications. These items should be native to the system reflected in your response to the RFP at Cost Item P.1.1. Please indicate the procedure and ability of the platform to:

- Document conformance to the W3C Web Content Accessibility Guidelines (WCAG) 2.0 Level A and AA Success Criteria.
- Adhere to Georgia Tech's overall accessibility policy at <http://www.policylibrary.gatech.edu/information-technology/information-technology-accessibility-policy>.
- Preserve accessibility features and markup when importing or exporting content that adhere to WCAG 2.0 Level A and AA Success Criteria.
- Prompt users to add descriptive equivalent text (e.g. alt tags) to all uploaded images.
- Include captions and transcripts into media using SRT or VTT formats.
- Allow instructors to set different assessment time frames for individual students for an individual or single assessment.

The following items are considered preferred specifications. For each of the following items, describe whether each feature/requirement:

- **Is native to the system reflected in your response to the RFP at Cost Item P.1.1,**
- **Requires additional licenses as reflected in your response to the RFP at Cost Item P.1.3.**

Please indicate the procedure and ability of the platform to:

- Assign empty (null) alt tag to images added to the platform as a default setting.
- Document conformance to the W3C WCAG 2.0 Level AAA section on color contrast.
